

# TennCare Attestation List

September 1, 2017

**To initiate an attestation request** for any agent on the attestation list, the prescribing physician or the prescribing physician's agent must call the Magellan Health Services Call Center at 1-866-434-5524. A completed Attestation List Prior Authorization Fax Form is required for all requests and can be accessed at:

[https://tenncare.magellanhealth.com/static/docs/Prior\\_Authorization\\_Forms/TennCare\\_RxLimit\\_Override\\_Attestation\\_Fax\\_Form.pdf](https://tenncare.magellanhealth.com/static/docs/Prior_Authorization_Forms/TennCare_RxLimit_Override_Attestation_Fax_Form.pdf)

Medications on this list can be approved for patients currently at their monthly prescription limit (greater than 5 prescriptions or greater than 2 brand medications), who are at a high risk for adverse health consequences and could be hospitalized, institutionalized, or die within the next 90 days without the requested drug(s). This list is independent of the preferred drug list (PDL) and other criteria. All drugs on this list are still subject to existing TennCare edits, including non-preferred status on the PDL, clinical criteria, step therapy criteria, and quantity limits.\*
