

## \*\* Important Information \*\*

### The following is information regarding new claims submission requirements for 340B pharmacies effective April 1, 2017:

340B pharmacies will be required to identify 340B claims by submitting the Submission Clarification Code (420-DK) of 20 and a Basis of Cost Determination (423-DN) of 05 or 08. It is also required that 340B pharmacies submit their Actual Acquisition Cost for 340B claims in the Usual and Customary Charge field (423-DQ). Please contact your software vendor to make these changes. Non 340B claims should be billed at the regular rate and not include the values required above.

NCPDP Field #	NCPCP Field Name	Value	Payor Situation
420-DK	Submission Clarification Code	20 = 340B Claim	Required for 340B Claims
423-DN	Basis of Cost Determination	05=Acquisition Cost or 08 = 340B/ Disproportionate Share Pricing	Required for 340B Claims
426-DQ	Usual and Customary Charge		340B Pharmacies must submit 340B acquisition cost in this field
